WOLGAST VS. RIVERS.
Champion Guaranteed \$15,000 and
Mexican \$8,000 for Battle Labor
Day.

Los Angeles, Cal., July 17.—Ad Wolgast and Joe Rivers will meet at the Vernon arena on Labor Day. Tom McCarty, manager of the Pacific Coast fight, said tonight, Rivers signed articles today, and Wolgast will sign tomorrow. Details of the battle were arranged excepting the selection of a referee.

Wolgast will get a guarantee of \$15,000, and Rivers, who received \$7,500 for his last battle, will receive \$5,000, win, lose or draw. The referee will be selected later.

DIAMOND NOTES

The Athletics didn't show much championship form in that 15 to 1 game.

There's a rumor about the effect that Hugh Jennings is to manage the Dodgers next year.

The Giants are having hard luck in the matter of losing star players in midseason. There's a big hospital list.

Now that Speaker and Cobb are tied for batting honors they will hustle all the harder this week to out one another from the top place.

To Cobb is really anxious about his batting average. He asks the official scorekeeper how certain infield hits have been scored.

Lefty Allen, pitcher for Brooklyn, was secured from Mobile in the Southern league, and the Pirates were angling for his services, but the Dodgers landed the youngster.

Cumie Mack and Bert Leopold of Alabama have purchased the Reading Tri-State franchise, and players will be operated the club under the name of Reading Exhibition company.

The Red Sox pitching staff looks better than that of the Mackmen that has been touted for so long as the best in the country. Mack's pitchers are beginning to go back. The Red Sox pitchers are just coming.

The Giants are on the tologan. The Cardinals have been easy picking for nearly every team in the league, but did not have any trouble taking three out of four from the National league champs.

With several disabled players on his hands and the pitching staff showing signs of overwork, John McGraw is reported to be worrying lest the Giants are about to be jerked from their lofty perch.

To Cobb and Tris Speaker are sure working for that top place. In four times up Wednesday, Tris annexed three singles. The Georgia Peach had his batting average working against Philadelphia, and landed for three singles, three doubles and a triple in eleven times at bat.

SHIP FINLAND LEAVES STOCKHOLM

American Athletes on Way to Dover—Big Crowd Sees Steamship Off—Effort to Hold Future Marathon Runs in Evening—Rules Committee Appointed.

Stockholm, July 17.—The steamship Finland, with the American athletes and officials aboard, sailed from here today for Dover. At that port most of the party will transfer to the steamer Vaterland, proceeding to New York. A great crowd gathered at the dock to bid the visitors farewell and there was much waving of American flags.

The American special commissioner to the Olympic games, James E. Sullivan, and Evert J. Wendell, member of the Olympic committee, will stop in England for a time while Prof. William M. Sloane, also a member of the Olympic committee, will remain in Stockholm for the present.

Delegates from 17 countries met today and appointed a committee to compile rules for the international sports association under the auspices of which the Olympic games will be held. The United States, Great Britain, Germany, France, Hungary and Sweden are represented on the committee.

As a result of the death of the Portuguese runner, Lacerda, the medical body has memorialized the international committee in favor of holding the Marathon during the cooler hours of the day and also raising the question as to whether the race should retain its ancient form.

PLAINFIELD FAILS TO COME ACROSS WITH COIN.

Game With Baltic A. C. Falls Through—Plainfield Manager Failed to Show Up.

The manager of the Baltic A. C. baseball team, visited The Bulletin office Wednesday evening with 50 perfectly good "bones" which he desired to deposit against a like sum of the Plainfield team's coin for a game between the two nine. The representative of the Plainfield team failed to show up as he had agreed to do in a letter to The Bulletin, so there was nothing done. To show his opinion of Plainfield, the manager of the Baltic ball team has the following to say:

"The would-be sports of Plainfield were to meet the manager of the Baltic A. C. according to their own statement in The Bulletin, failed to appear. Whether it was a case of cold feet or a lack of funds we do not know, but the occurrence brands them as a cheap bunch of sports. We hope they will learn their feet and get some cure for their aching heads of which we think they have a bad case. Well, Plainfield, you have still got your \$50, and we hope you will play someone else who took a little easier than the Baltic A. C."

TWO WINNING ATHLETES ON SUPPLEMENTARY LIST.

Expenses of Strobino and Meyers Paid by Private Parties.

Stockholm, July 17.—Two of the American athletes who won points for their team here were on the supplementary list, and their expenses were not paid by the American Olympic committee. They are Alva Meyers of the Irish-American Athletic club of New York and Guston Strobino of Chicago. The American Olympic committee, they are Alva Meyers of the Irish-American Athletic club of New York and Guston Strobino of Chicago. The American Olympic committee, they are Alva Meyers of the Irish-American Athletic club of New York and Guston Strobino of Chicago.

UMPIRE CLEARY NARROWLY ESCAPES LYNCHING.

Two Thousand Angry Spectators Object to Glove Decisions.

Wilkes-Barre, Pa., July 17.—Two thousand partisans of the home team, angered by decisions which they evidently believed were in violation of the rules, gathered in front of the stadium to object to the glove decisions of the umpire, Cleary.

Seven members of the state constabulary were on duty to keep the peace.

Wolgast will get a guarantee of \$15,000, and Rivers, who received \$7,500 for his last battle, will receive \$5,000, win, lose or draw. The referee will be selected later.

FINANCIAL AND COMMERCIAL.

RALLY IN LAST HOUR.

Market Up to That Time Threatened Record Day of Dulness.

New York, July 17.—The most noteworthy feature of today's session on the stock exchange was the fact that in the last hour it bade fair to mark the smallest total of transactions in over a month and closely approximated the duldest day of the year. But, as the market began to grow, and in the final thirty minutes, and to the accompaniment of no little activity, practically all losses were effaced and many net gains of material value were established.

Early weakness of our stocks was attributed to foreign influence, London sending over a range of quotations, some of which were much under yesterday's close. United States Steel was heaviest abroad, the selling being associated with fears of an adverse report by the congressional committee appointed to investigate that corporation. Canadian Pacific, Union Pacific, Illinois Central and Amalgamated Copper also bore marks of European liquidation, albeit in moderate volume.

If the home market had any actual impulse, it was again to be found in the crop situation, all news dealing with agricultural conditions being of an encouraging tenor.

There was also some indication of increasing betterment in the steel industry, as evidenced in another advance in certain manufactured products.

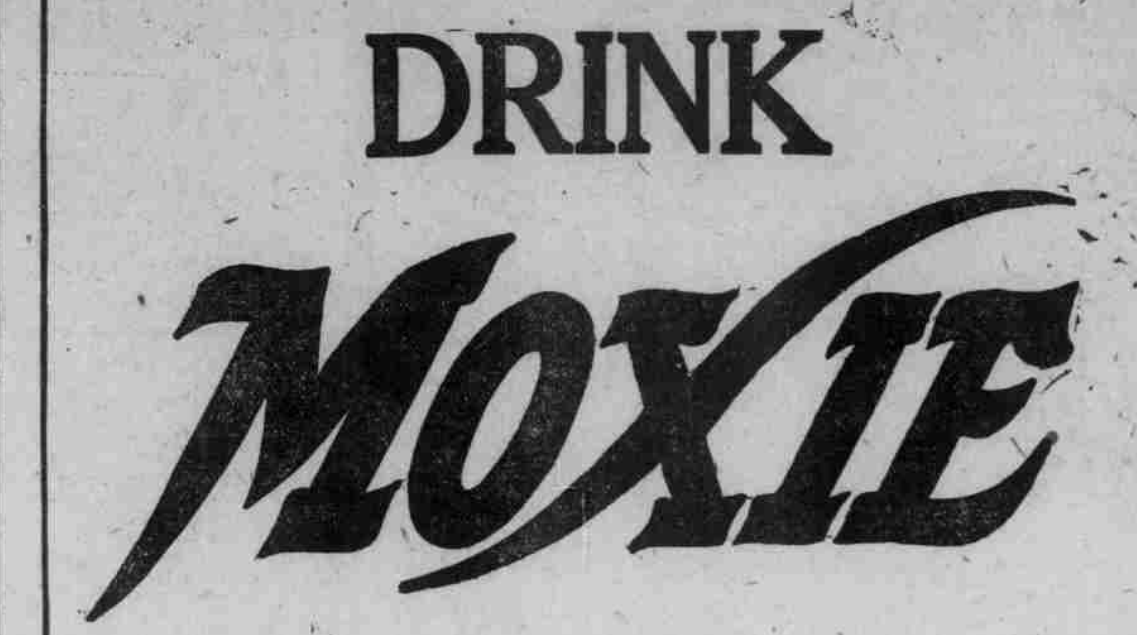

The attention of our bankers was once more directed to developments across the water. Money was scarcer in London and consols declined to the lowest point in practically a century, falling five-sixteenths on reported selling of a prominent local financial institution, together with the failure of another large underwriter for one of the British colonies. French rates were lower.

Bonds were steady today, with total sales, bar value, \$3,125,000. United States government four coupon and registered were off 1-4 per cent.
